

mezcal
DERRUMBES®

Durango

Each **expression** of Derrumbes is named for the **state** in which it's made, taking us on a mezcal **journey** across Mexico. Made from Agave **Durangensis**, distilled in a Durango still made of **wood and copper**, this mezcal is bright **orange** with **chalk** notes and screams **Durango!**

Scan for
Details!

Durangensis: agave also know as Cenizo and is the most widely used in Durango for mezcal.

Durango Still: Copper pot and condenser with a wood body, this still is a part of the mezcal's profile.
