

# LA VENENOSA®

Espiritus de Jalisco

## Sierra Occidental

Pioneering the Raicilla category, with La Venenosa, **Esteban** Morales brings us one of the most **exciting explorations** of agave spirits across **Jalisco**. This is **single distilled** agave Maximiliana from **Don Ruben** and is both **bright** with **acidity** and rich in **texture**. It makes a **mindblowing** negroni!

Scan for  
Details!

**Single Distillation:** In most of Mexico double distillation is the norm but not in the Occidental mountains of Jalisco where they prefer the juicy acidity that comes from single distillation
